P.4 ENGLISH LANGUAGE

HOLIDAY WORK 2021

Name _____ **Stream** _____

SECTION A

In questions 1 to 10, use the word in brackets correctly to complete the sentences.

1. She _____ a school bag every day. (carry)
2. This is my bag. It is _____ (my)
3. The cat _____ all the milk from tin the yesterday. (drink)
4. The cake was _____ decorated. (nice)
5. Adam is _____ a letter now. (write)
6. Kawoya wrote an interesting _____ yesterday. (compose)
7. Sarah _____ her books in the cupboard last night. (keep)
8. Our neighbours _____ to church every day. (go)
9. The boy has _____ a very nice story. (write)
10. We _____ the zoo next week. (visit)

In questions 11 to 15, fill in the blank space with a suitable word or group of words.

11. Do not lean _____ the wall.
12. Peter is good _____ doing house work .
13. My novel is different _____ yours.
14. Many people in the world have died _____ Covid 19.
15. The apples are more expensive _____ tomatoes.

Re- arrange the following words in alphabetical order.

16. cat, cub, city, chair

17. smooth, young, new, active

18. rise, ring, ride, ripe

Give the opposites of the underlined words.

19. We should respect the queen.

20. Today's weather is worse than that of yesterday.

21. All primary four pupils are smart.

22. Sharon was kind to her children.

Write the following in their full form.

23. won't _____

24. i.e. _____

Re-write the sentences by giving the plural of the underlined word.

25. The African woman suffers a lot during wars.

26. Where is the box?

27. The baby has a leaf.

28. The shepherds will have seen the sheep by sunset.

Give a single word for the underlined group of words.

29. People are advised to eat a lot of apples, mangoes, pine apples, oranges and guavas to keep healthy.

30. Sarah spent twelve months in the hospital.

SUB-SECTION II

In questions 31- 50, rewrite the sentences as instructed in brackets.

31. The boys are happy. They have got a new ball. (Join the sentence using:because.....)

32. This is the boy. His grandfather flew to the US last month. (Join the two as one using:whose.....)

33. Yiana is playful. Emmanuel is also playful. (Rewrite as one sentence usingand so....)

34. This is the watch. My father bought it from Dubai. (Join using: ... which)

35. The girl is very sick. She cannot eat. (Join the two sentence using:so ... that)

36. If I read my books, I will be promoted to primary five. (Rewrite as one sentence beginning: Unless.....)

37. Aly can write in her diary using both hands. (Rewrite the sentence using: either.....)

38. Aisha is clever. Her sister Hanifa is very clever.
(Rewrite as one sentence using:as..... as.....)

39. Kirumira did not go to school last month .Kintu did not go to school last month.
(Rewrite the two sentences using:.....and neither.....)

40. Most children like chicken more than meat. (Rewrite the sentence using: ...prefer...)

41. Thomas is very short. He cannot touch the roof of the house. (Join the two sentences using: ...too...to.....)

42. An aeroplane is very expensive. A car is expensive.
(Join the two sentences using:....than.....)

43. All the P.4 girls are smart. (Begin: None.....)

44. There isn't any pencil in the tin. (Rewrite the sentence using:some....)

-
45. Shouting in class is bad. (Begin: It is bad.....)
-
46. The dress is very beautiful. Everybody admires it. (Join using:such....)
-
47. That bag is for Vivian. (Rewrite the sentence using: belongs.....)
-
48. This book is very interesting. (Rewrite the sentence beginning: What.....!)
-
49. Bunjo knelt down. Bunjo wanted to greet the visitor. (Rewrite as one sentence using:in order to.....)
-
50. We are great friends,? (Supply a suitable question tag)
-

SECTION B

51. Read the story below and in full sentences answer the questions that follow.

MBUUTI RECEIVES A BLESSING

Mbuuti was a selfish boy. He never shared his toys with anyone. His parents were worried as of how to teach him about kindness and sharing. One day, as Mbuuti was returning from school on his new bicycle, he met a boy who had fallen into a ditch and had hurt himself. The boy cried, "Ah! I can't move my arm."

Mbuuti would never help anyone but that day, he felt sad for the boy. So, he hurried and helped him to stand up. He said to the boy, "It looks like you've **fractured** your hand. Sit behind me and I'll ride you to the hospital."

Later that evening, the boy's parents visited Mbuuti and **thanked** him, "You are a very kind boy. God should always bless you." After they had left, Mbuuti's father said, "Son, see the blessings you have received from

being kind. Mbuuti felt so happy, he understood the importance of being kind. From that day, Mbuuti decided to be kind always.

Questions

a) What happened to the boy when he fell into a ditch?

b) Where was Mbuuti coming from when he met the boy?

c) According to the story, who was worried about Mbuuti's selfishness?

d) How does Mbuuti travel to school?

e) Why do you think it is good to be kind?

f) How did Mbuuti feel about the boy who fell into a ditch?

g) When did the boy's parents visit Mbuuti?

h) Give another word or group of words to mean the same as the underlined words in the story.

(i) Fractured _____ (ii) thanked _____

i) Suggest a title to the story.

52. Read the poem below and answer questions about it in full sentences.

"My Home"

This is my home Uganda.

This is the land for me.

This is the place where my heart is at rest.

This is the land for all that is best.

Here I am a live and free.

This is my home Uganda
With mountains, valleys and hills.
The deep dark forests where nobody goes.
The thick green swamps where the wide Nile flows.
The western lakes, strange and still.

This is my home, Uganda.
Full of the flight of birds.
The crested crane, the eagle and dove
Spinning their cries to the sky up above.
Music of songs without words.

By Tinatine

Questions

1. Where does the writer live?

2. What flows through the thick green swamps?

3. Which birds are mentioned in the poem?

4. In which verses do we find birds singing?

5. How many verses has the poem?

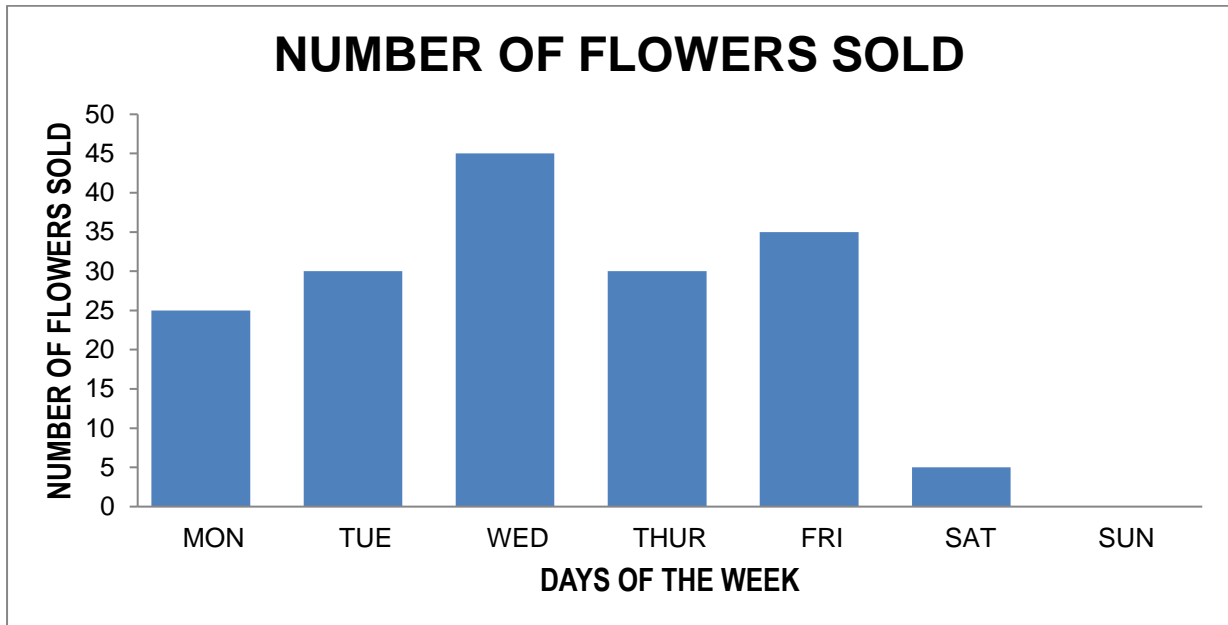

6. What is the title of the poem?

7. What kind of music do birds mentioned sing?

8. Who is the poet?

9. Mention any two physical features in the poem.

53. Chandiru is a florist at Kkobo village. The graph below shows the number of flowers she sold in a week. Study it carefully and answer the questions about it in full sentences.

A. When was the highest number of flowers sold?

B. On which day of the week did the florist sell the least number of flowers?

C. According to the graph, which days had the same number of flowers sold?

D. How many more flowers were sold on Thursday than on Monday?

E. Who is a florist?

F. Where does Chandiru live according to the graph?

G. Why do you think there were no flowers sold on Sunday?

H. How many flowers were sold on Tuesday, Saturday and Sunday altogether?

I. Write in full.

(i) Sat _____ (ii) Wed _____

54A) Re-arrange the sentences below to form a good story.

- a) One day, he hit a child with a stone on the head.
- b) He used to beat and abuse all the time.
- c) The headmaster sent Apayo away from school.
- d) Apayo was a boy who was not well behaved.
- e) The child went and reported him to the headmaster.

a _____

b _____

c _____

d _____

e _____

54B) Arrange the sentences below to form a good story.

- a) She asked for permission to enter.
- b) She sat down and listened.
- c) Yesterday Jane came late to class.
- d) The teacher allowed her in.
- e) She found the teacher teaching.

a _____

b _____

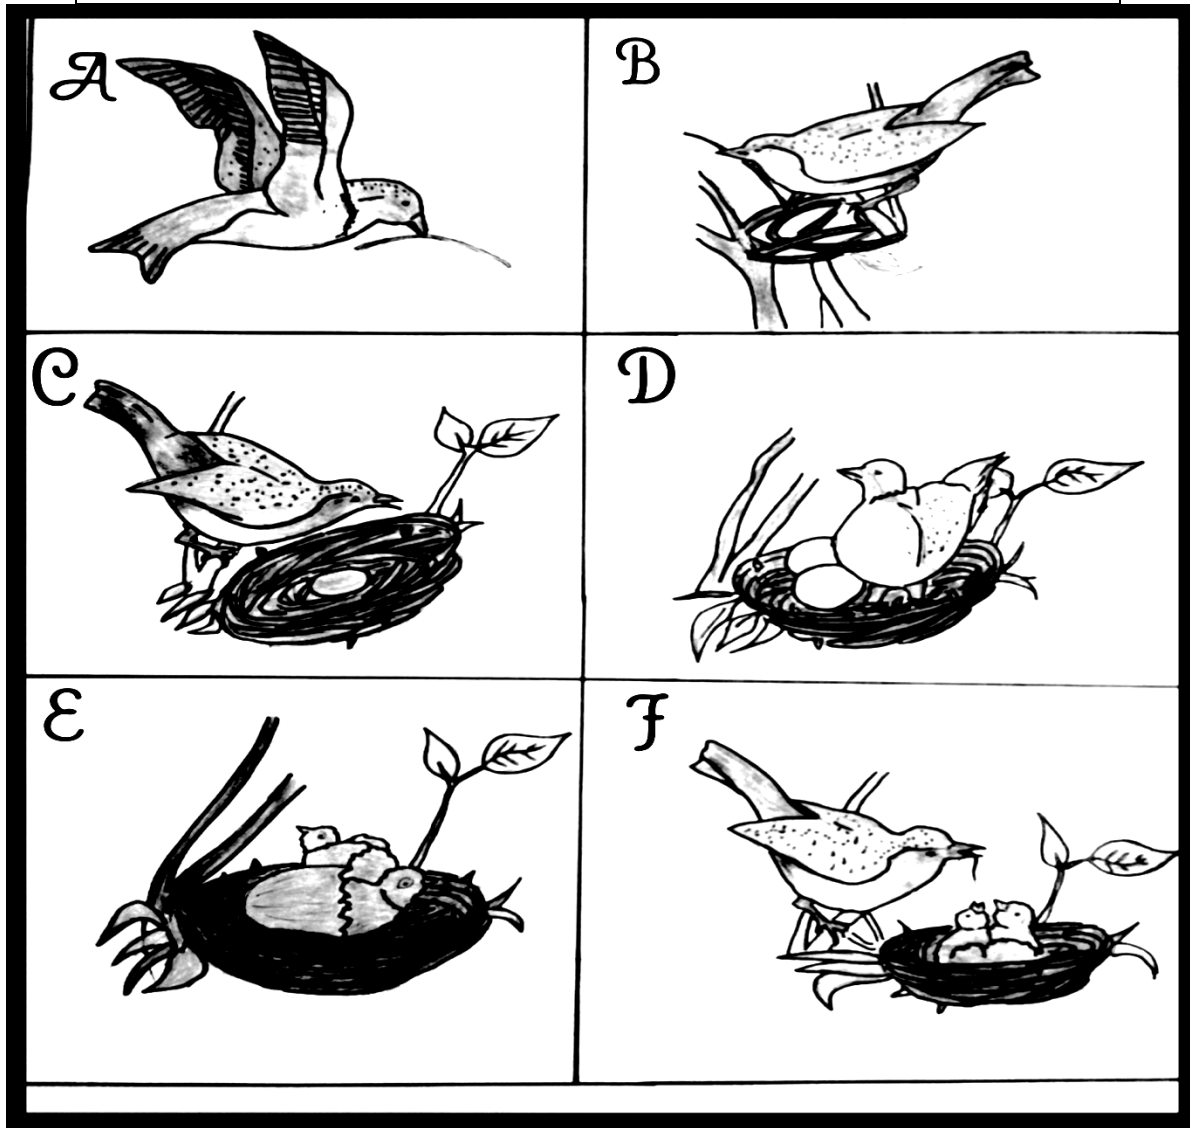

c _____

d _____

e _____

55. The pictures A to F tell a story. Study them carefully to describe what is happening in each picture. The following words may guide you.

bird, stick, make, nest, lay, egg, hatch, feed, nestlings

PICTURE A _____

PICTURE B _____

PICTURE C _____

PICTURE D _____

PICTURE E _____

PICTURE F _____

g. How many eggs did the bird lay?

h. What has happened to the eggs in picture E?

i. Why do you think the bird is a responsible one in picture F?

j. Where has the bird laid the eggs?

GAYAZA JUNIOR SCHOOL

P.4 MATHEMATICS

HOLIDAY WORK 2021

Name _____ Stream _____

SECTION A

1. Multiply 6×2 using repeated addition

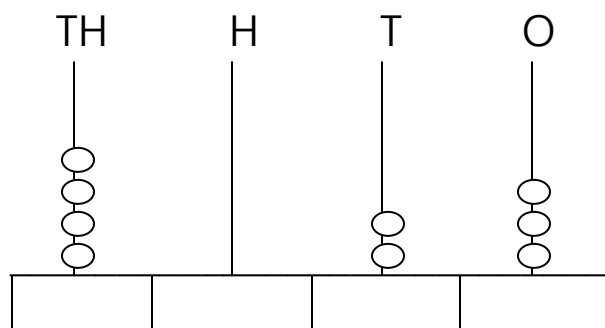

4. Sharom bought 7,438 chicks. 5,296 chicks died, how many chicks did she remain with?

2. Draw a symbol for an empty set.

3. With illustrations, which fraction smaller, $\frac{1}{2}$ or $\frac{1}{5}$?

5. Change 10m to cm.

6. Write the number shown on the abacus below.

7. Express XLIV as Hindu Arabic numerals.

8. Find the value of 8 in the number 68,432?

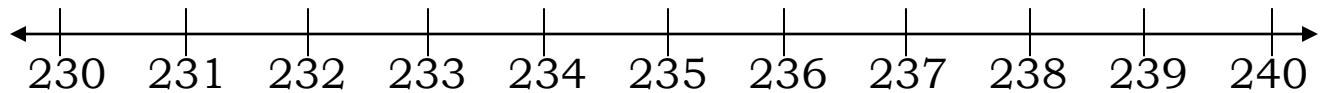

9. Find the next number in the sequence below.

3, 6, 9, 12 15 ,____, ____

10. On the clock face below, show 20 minutes past 8

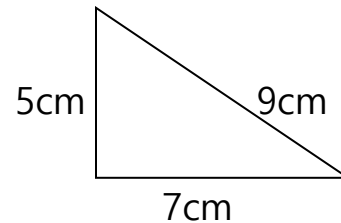

11. Round off 239 to the nearest tens using the number line below.

12. Find the next three equivalent fractions to $\frac{1}{3}$.

13. John walked around the triangular garden below. Find the distance which John covered

14. If  stands for 6 balls. Draw picture to represent 36 balls.

15. Given that $P = \{\text{odd numbers less than } 10\}$ Find $n(p)$

16. Expand 2,807 using place values.

17. Draw a cube in the space provided below.

19. I think of a number, subtract 8 from it, the answer is 24 .
What is the number?

18. In the space below, construct an angle of 90° using a pair of compasses and a sharp pencil only.

20. Change 180 minutes to hours.

SECTION B

21. In a P.4 class, there are 150 pupils. $\frac{2}{5}$ of them are boys and the rest are girls.

(a) Find the fraction for the girls.

(b) How many girls are in the class?

(c) How many boys are in the class?

22. Arrange $\frac{1}{2}$, $\frac{3}{4}$, $\frac{2}{3}$ in descending order.

23. A P.4 pupil did several Mathematics tests and scored these marks.

80, 15, 30, 45, 40, 30 .

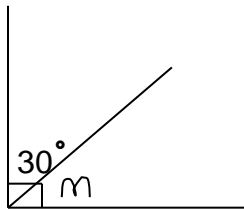

(a) Find her total marks.

(b) Work out the median mark.

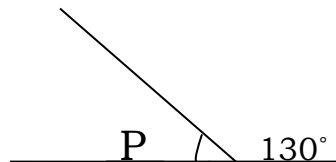

(c) Work out her average mark.

24. Find the values of the unknown angles in the angle diagrams below.

(a)

(b)

25. Study the magic square below and answer the questions that follow .

d	29	26
e	23	11
20	c	b

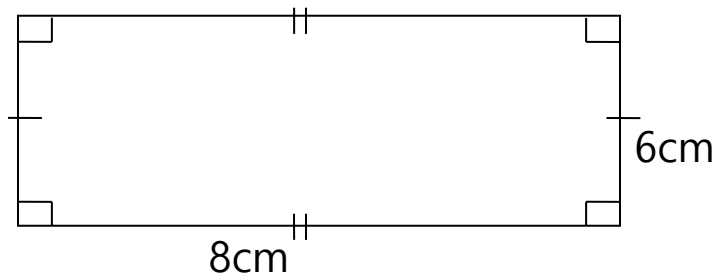

(a) Find the magic sum.

(b) Find the values of;

(i) **d**

(ii) **c**

26. Study the diagram below carefully and answer the questions that follow.

(a) Name the figure above.

(b) Work out its area.

(c) Find its perimeter.

27. Given that $a = 4$, $b = 6$; Find the value of;

(a) $a + b$

(b) $ab - a$

(c) $ab + a$

28. Use $>$, $<$ or $=$ correctly to complete the statements below.

(a) 12×3 $24 + 12$

(b) LX XL

(d) $\frac{2}{3}$ $\frac{3}{4}$

29. Work out ;

	Hours	Minutes
(a)	3	30
	+ 5	15
	<hr/>	
	<hr/>	

(b)	Weeks	Days
	2	5
	+ 6	4
	<hr/>	
	<hr/>	

(c) Change 14 days to weeks.

30. Using a pair of compasses, sharp pencil and a ruler only construct an equilateral triangle in a circle of radius 5cm.

(b) Measure the length of the sides of the triangle constructed.

(c) Work out its perimeter.

31. Nabayinda went for shopping with sh. 30,000 and bought the following items:-

2kg of sugar at sh. 3,300 per kg

3kg of rice at sh. 3,500@

2 loaves of bread at sh. 9,000

(a) How much money did she spend on all the items?

(b) How much was Nabayinda's change?

32. Complete the frequency table below.

Marks	Tallies	Frequency
65	///	_____
70	_____	6
55	### ///	_____
80	### ///	_____
75	_____	13

HOLIDAY WORK 2021

Name: _____ *Stream:* _____

SECTION A

1. Who heads a clan?

2. State any one element of weather that brings joy to farmers.

3. In the space provided below, draw and name one tool used by the night watchmen to promote security.

4. Give any one use of fish to people.

5. Why do most people in your district practice subsistence farming?

6. Write down any one cash crop grown by the people in your district.

7. _____

8. Of what importance are hills to Telephone Companies?

9. Write UPDF in full.

10. Which is the deepest lake in Uganda?

11. Name the following product of clay soil.

12. State any one activity done by girls and boys in your district.

13. Why do mothers add salt to the food?

14. Name the mountain in Uganda whose highest peak is Wagagai.

15. What does the term pottery mean?

16. Identify any one importance of waterfalls in our district.

17. What title is given to the head of the central bank in Uganda?

18. State any one television station in Kampala.

19. Who heads civil servants in a district?

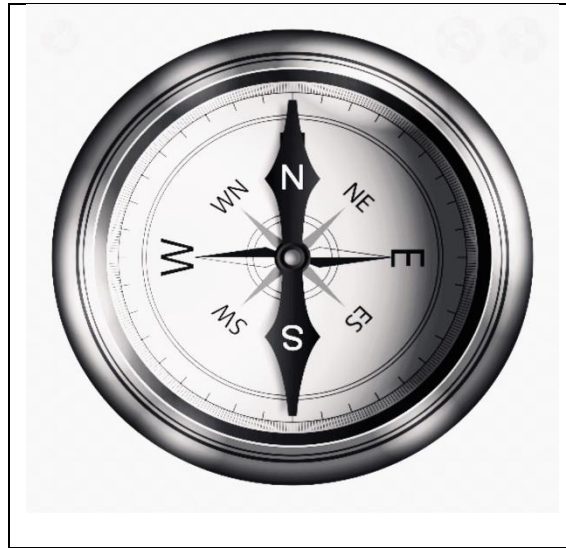

20. Why did iron smelting mark the end of the Stone Age Period?

21. How did Kintu benefit from his cow?

22. Of what importance is a Resident District Commissioner important in a district?

23. What type of family is shown in the picture above?
-
24. Which European explorer named Rwenzori "Mountains of the Moon"?
-
25. What can the government of Uganda do to promote urban-rural migration?
-
26. Identify any one Non-Government Organization in your district.
-
27. State the type of education that the children of long ago received.
-
28. Mention the mineral that was discovered around Lake Albert.
-
29. Define the term ethnic group.
-
30. How do you dispose garbage at your home?
-
31. Give the biggest natural forest in Buganda.
-
32. Why is Kalangala called an island district?
-
33. Name the instrument drawn below
-

-
34. Which tribe in Uganda eats “malewa” as its staple food?
-
35. Identify any one cultural practice done by the Sabiny.
-
36. What is meant by the term altitude?
-
37. State any one way how the Bible should be kept.
-
38. Who was the father of King David?
-
39. Mention any one way through which people communicate to God.
-
40. What is lent?
-
41. Why do people pray to God?
-

SECTION B

- 41a) What is climate?
-
- b) State the element of weather that brings joy to farmers.

c) How is windy weather important in our environment?

(i) _____

(ii) _____

42a) Who is an enumerator?

b) How often is population census carried out in Uganda?

c) Which ministry in Uganda is responsible for carrying out national population census in Uganda?

d) Mention any one type of information collected during population census.

43a) Identify any one type of marriage.

b) At what age is a person allowed to marry in Uganda?

c) List any two reasons why people marry.

(i) _____

(ii) _____

44. Match the tribes with their traditional dances.

TRIBE

- a) Bagisu
- b) Acholi
- c) Baganda
- d) Bakiga

DANCE

- Muwogola
- Kitagururo
- Kadodi
- Lakaraka

45a) Soil erosion is a problem in mountainous areas. Give any one way a farmer can solve this problem.

b) Mention the side of a mountain that receives little or no rainfall.

c) Give any two dangers of mountains in an area.

(i) _____

(ii) _____

46a) Mention any two types of electricity used in our district.

(i) _____

(ii) _____

b) State any two dangers of electricity in our environment.

(i) _____

(ii) _____

47a) Name the type of vegetation whose existence was influenced by people.

b) List any two characteristics of planted vegetation

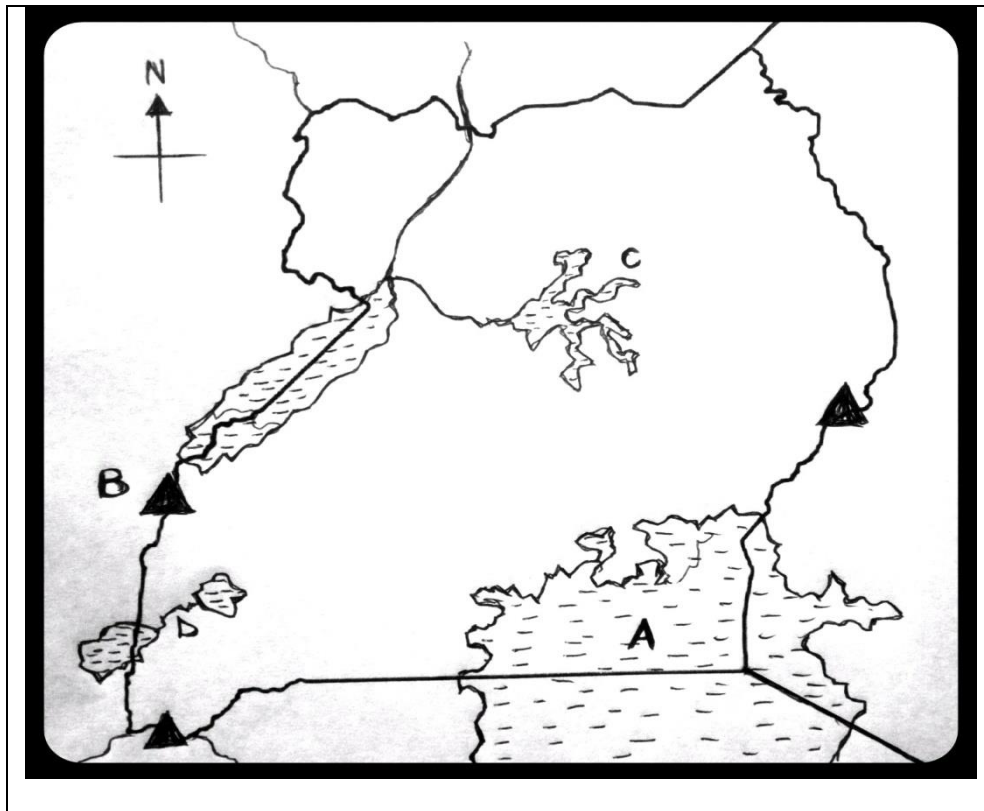

(i) _____

(ii) _____

c) Identify any one human activity that degrades the environment.

48. Study the map of Uganda below and then answer the questions about it.

a)

a) Draw the equator on the map above.

b) What is the highest peak of the mountain labelled B.

c) Mention any one animal tourist attraction found in the channel marked with D.

d) Of what importance are physical features to the people in our district?

49a) What are social services?

b) Which social service is provided by banks in our district?

c) Outline any two social service providers found in our district.

(i) _____

(ii) _____

50. Complete the table below correctly.

Kingdom	Cultural Leader
_____	Kabaka
Tooro	_____
Rwenzururu	_____
_____	Kyabazinga

51a) Name the river where Jesus was baptized.

b) Mention the ;

(i) First book in the New Testament _____

(ii) town where Jesus was born _____

c) What did Jesus teach about how a believer should treat his neighbour?

52a) Mention the material God used to create Adam.

b) List any two reasons why God created us.

(i) _____

(ii) _____

c) Name the son of Eve who killed his brother.

53a) Write any two fruits of the Holy Spirit.

(i) _____ (ii) _____

b) Identify any two symbols of the Holy Spirit.

(i) _____ (ii) _____

54a) Who received the Ten Commandments?

b) Name the mountain where the person mentioned above received those commandments.

c) Write down the first two of the Ten Commandments.

(i) _____

(ii) _____

55a) Mention any two examples of religious leaders in our district.

(i) _____

(ii) _____

b) Why do we need religious leaders in our district?

(i) _____

(ii) _____
