As you continue downwards, there is the neck, chest, stomach, back, waist, arms and legs. The legs make us move from one place to another. They also enable footballers to kick the ball. The arms are used to do a lot of activities. The fingers make us able to hold pencils and write or draw .

The uses are very many. However, we need to look after all the body parts the best way possible because God created them with a purpose. If you mishandle them, they can be damaged. Imagine you lost any or all of them, what shape would you be or what would you be able to do for yourself ?
