FOREWORD AND RECOMMENDATION

COVID 19 pandemic caused a disruption in our education system and made learners missed schooling for two years of 2020 to 2021 schooling period. This has created a need to rethink what and how learners will be taught when schools open.

The Kolfram Educational Services Kampala has developed a series of teaching materials for pre-primary, primary and secondary schools in Uganda. These materials are prepared in accordance to the abridged curriculums right from primary two up to senior six.

**"Special thanks go to the board of directors, managers and staff of Kolfram Educational Services Kampala for the great work done."
Congratulations**

This material presents a selection of priority learning competences and concepts, along with psychological support, which should be focus of instruction in the 2022 school year in order to achieve learning recovery.

This material is not a departure from the existing old curricula for this level but is a modification of the same with a purpose of recovering the lost learning time with maximum learning loss. They have been packed for all primary and secondary classes in Uganda including **pre- primary, primary one, senior one** and **senior five** that are still using the old standard curriculums.

I therefore, recommend this material and ask all stake holders, educational fraternity to support its implementation as a strategic intervention towards the mitigation of the effects of COVID 19 pandemic on the education system. The effective implementation of this material by the implementers will be a great milestone towards the recovery of lost learning time and giving hope and confidence to learners and teachers.

The relationship between the Old Testament prophecies and the work of Jesus

Before the coming of Jesus Christ on earth, some people had foretold his coming.

The people who did that are called prophet.

The future events they talk about are called prophecies after Adam and Eve had disobeyed God, he prepared for saving human kind from eternal suffering.

In the Old Testament, the following prophets foretold the coming of the saviour.

Isaiah

Micah

Zechariah

Isaiah 53: 4 – 12

But he endured the suffering that should have been ours, the pain that we should have borne" (verse 4)

"But because of our sins, he was wounded, and beaten. We are healed by his punishment. He suffered, made whole by the blows he got" (verse 5)

"He was treated harshly but endured it humbly" (verse 7)

He was arrested and sentenced and led off to die" (verse 8)

He was put to death for the sins of our people. "(verse 9)

"His death was a sacrifice to bring forgiveness" (verse 10)

Isaiah's prophecy clearly shows Jesus' work was suffering and dying for our sins.

N.B: that is why Isaiah is called **messianic prophet**.

Micah 5 : 2

Micah said that the saviour was to come from the smallest town in Judea called Bethlehem. He foretold Jesus' work being that of saving people from sins.

Zechariah 9 : 9

In that verse, Zechariah says rejoice, rejoice, the people of Zion! Shout for joy, you people of Jerusalem! Look your king is coming to you!

He comes triumphant and victorious, but humble and riding on a donkey. That verse refers to what happened on Palm Sunday when Jesus triumphantly entered the city of Jerusalem on a donkey.
